

Small Groups are where you build relationships with people as you learn to live the life that God intended. This is one place where the Anglican Church of Livonia's mission of Be Disciples, Make Disciples of Jesus is carried out.

Why Join A Small Group?

In a group you can...

EXPLORE THE BIBLE

Go ahead, ask questions without fear, probe, share your thoughts and learn from the insights of others.

GROW

All healthy things grow! A small group is an ideal environment for growth as a follower of Christ. With a group of friends you will learn, be challenged, encouraged and have fun doing it.

CONNECT

In a large church like ACL it can be hard to connect with others. Small groups give you that opportunity to make those connections and make some new friends.

FIND SUPPORT

Small groups provide excellent support in times of crisis, change, and stress. You'll have a sense of stability and security knowing there are people who really care for you and are committed to standing with you.

LAUGH

Small Groups are fun! Members of ACL don't attend our groups because they're forced to; they go because they're enjoying them.
